# Reach Declaration

## DECLARATION OF REACH CONFORMITY

Dutch Filaments BV declares that all of its marketed filaments are delivered in accordance with all applicable chemicals laws, with special reference to the REACH Regulation (EC).

Dutch Filaments BV declares that all possible existing obligations in connection with the registration, evaluation and authorization of substances are met.

Dutch Filaments BV provides all customers with the necessary information regarding their filaments delivered. Material Safety Data Sheets (MSDS) will be supplied by Dutch Filaments BV to the customer upon request.

## SUBSTANCES OF VERY HIGH CONCERN (SVHC)

Dutch Filaments BV declares that no substance categorized under REACH as Substance of Very High Concern (SVHC), thus classified and filed in the substance list of Annex XIV or in the related Candidate List, version 16 December 2013 <http://echa.europa.eu/candidate-list-table> is present (> 0.1% w/w) in its filaments.

Dutch Filaments BV will continue to monitor the substance list in relation to its filaments and will inform its customers if changes will occur.
